Technical Skills

Programming Languages: C#, JavaScript
Web Development: ASP.NET, HTML5, CSS3, Bootstrap, React.js, Node.js, Express.js, JOI
Database Management: SQL, MongoDB
Development Tools: Visual Studio Code, Visual Studio, Postman, MongoDB Atlas and Compass
Version Control: Git, GitHub

Software Development Projects

RSS News Aggregator - Developed a responsive web application using HTML, CSS, Bootstrap, and JavaScript to aggregate and display news from various RSS feeds that I have interest in. Implemented a mobile first user-friendly interface for easy navigation with customized layout of feed content. <link to online live version of the project>
